

HELP HAYWARD LAUNCH A BETTER WAY TO BART

The City of Hayward is considering a new shuttle service connecting the Fairway Park, The Cannery, Upper B Street & Mission/Foothill neighborhoods to Downtown Hayward and BART.

But before we can bridge the transit gap between your neighborhood, Downtown Hayward and BART, we need your input on how enhanced transit options would improve life in Hayward.

So, mark your calendar to join City planners and the project research team for one of two upcoming Open Houses, where you'll have the opportunity to learn more about the shuttle study and provide your feedback directly to decision makers.
